Duck Creek **Payments Facilitator**

A cloud-native solution to seamlessly manage payments within a single platform.

Duck Creek
Technologies

In today's fast-evolving insurance landscape, carriers require more than just transactional solutions. They need a secure, agile, and future-proof approach to global payment processing—packaged in a comprehensive platform that can cater to their unique business needs.

Duck Creek Payments Facilitator is designed to fill that gap. This modern, insurance-focused payment processing solution gives you a seamless way to digitize, enhance, and transform the end-to-end experiences for your customers.

A Single Solution for Payments

Duck Creek Payments Facilitator is a cloud-based payment facilitation offering that gives you the tools needed to drive better digital payment experiences, streamline operational efficiencies, and reduce the total cost of ownership of payments—all from a single, proven solution. With Duck Creek Payments Facilitator, you can collect and disburse funds in near real-time, by having access to the latest tools and payment networks.

Built for Insurers

Duck Creek Payments Facilitator puts an end to your hunt for an end-to-end payment solution by bringing everything together into a single, modern payment solution. Duck Creek Payments Facilitator makes it easy to adopt the latest payment methods, embed payments into existing workflows and reduce costs through automation and digitization.

About Duck Creek Technologies

Duck Creek Technologies is the intelligent solutions provider defining the future of the property and casualty (P&C) and general insurance industry. We are the platform upon which modern insurance systems are built, enabling the industry to capitalize on the power of the cloud to run agile, intelligent, and evergreen operations. Authenticity, purpose, and transparency are core to Duck Creek, and we believe insurance should be there for individuals and businesses when, where, and how they need it most. Our market-leading solutions are available on a standalone basis or as a full suite, and all are available via Duck Creek OnDemand.
